- Operating System - Windows, Linux.
- Coding - Python, JavaScript.
- Web Development - HTML, CSS, Django.
- Tools - Visual Studio, Jupyter Notebook, Anaconda, PowerBi.
- Teamwork and Collaboration
- Time Management
- Problem-Solving
- Quick Learner
- Communication

WORK EXPERIENCES

Intern, UpSkill Campus (Remote) (USC564464TIA)

Feb 2024 - Mar 2024

- During my internship, I learned Python along with HTML, CSS, and JavaScript, and used these skills to design and develop a URL Shortener website. This experience enhanced my full stack web development abilities.

Intern, EY (Remote) (INTERNSHIP_170662655565b90dfb357f2)

Feb 2024 - Apr 2024

- Through my internship, I gained proficiency in Full Stack Web Development. I developed a car rental website using HTML, CSS, and JavaScript, leveraging frameworks such as Django and libraries like jQuery and Bootstrap. Additionally, I utilized database technologies like MySQL to ensure efficient data management and seamless user experiences.

EDUCATION

Bachelor of Engineering in Information Technology

Graduation Year: **2025**

Savitribai Phule Pune University, Pune, India

ACCOMPLISHMENTS

- Academic Excellence:** Achieved a CGPA of 7 in the 6th semester of BE and scored 90.17% in HSC and 83.40% in SSC from Maharashtra Board.
- Health+ WebApp (Group Project):** Developed a centralized web application for hospital management using HTML, CSS, Bootstrap, React, PHP, MySQL, Perl, and MariaDB.
- Google Developer Student Clubs (GDSC):** Event and management team lead for the tenure 2023-2024, contributing to the organization and execution of various technical events and workshops.
- NSS Volunteering:** Actively participated in National Service Scheme (NSS) activities, demonstrating a commitment to community service and social responsibility.
